

## Barber Shoppers To Sing in Show

The championship chorus of barber shop singers representing the South Bay Chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America will be among featured acts in the second annual show to be presented May 13 at the Long Beach Municipal Auditorium by the Sweet Adelines of Long Beach.

Dick Sinclair, popular radio and television emcee, will call the turns for the 8:15 p.m. show.

Irish Hultz of Lomita is president of the sponsoring group. Other Lomitans in the Sweet Adelines include Toni Mann, secretary, and Fern McCann and Mimmi Blakesley. Torrance members include Wenonai Tait, regional council member, and Betty Erickson and Marie Ellis.

Proceeds of the show will be used to provide scholarships for junior high school students.

## Consumer is Forgotten Man Senator Claims

"The American consumer is the forgotten man when it comes to determining the general economic policies of our government," Senator Claire Engle (D-Calif.) said today.

He said the answer lies in new Federal legislation to establish a Department of Consumers, a bill which he is co-sponsoring in the 87th Congress.

"We need a Department that can speak with the same authority in behalf of our consumers as do the Departments of Agriculture, Commerce and Labor for our farmers, businessmen and workers," he explained.

Senator Engle pointed out that older citizens living on fixed incomes, salaried workers and other groups do not have a voice in Washington.

HE SAID that the various Federal programs concerned with the consumers' interests are "scattered and fragmented through many agencies - agencies that are frequently oriented to other interests."

Senator Engle has joined a number of other Senators in introducing S. 1688, a bill which would create a Department of Consumers responsible for representing the consumer viewpoint when economic policies are being developed at the highest levels of government.

In the preceding 86th Congress, the California legislator was also co-sponsor of similar legislation and testified in its support at hearings one year ago.

Senator Engle said one significant reason why a Department of Consumers is needed to protect consumers in an economy dominated by administered prices which deny the protections of competition.

## St. Gerard Council to Get Charter

St. Gerard Council, Knights of Columbus of Torrance will receive its charter Saturday evening at the Nativity Parish Hall at a dinner. State officers will attend and do the presentation.

St. Gerard has been in the news lately for they won top place last week and their Queen, Doores Pauch, won the Queen of Rancho San Antonio Contest and was crowned the Queen of all the Southern California Knights of Columbus.

Charles Butterfield, grand knight, has extended an invitation to all practicing Catholics of this area to join this council.
